

January 1, 2024

BOMA New Jersey is holding our fourth annual fundraising event for the children's charity called "Tackle Kids Cancer" on February 15, 2024 as part of our "BOMA MEMBERS CARE" mission.

Tackle Kids Cancer was initiated to make a difference, both in the lives of the children in New Jersey, and around the globe. With only 4% of the national cancer research budget allocated to pediatric cancer research, the team at the Children's Cancer Institute recognized the need for a philanthropic program to move the needle.

Donations made to Tackle Kids Cancer directly benefit essential clinical care, groundbreaking cancer research, and unique survivorship support services. Learn more about our impact and how you can help!

100% of Tackle Kids Cancer funds stay in New Jersey to directly support our patients and their families, while their crucial, funded research extends globally to make a difference for children.

Donations via check should be written to: TACKLE KIDS CANCER

TACKLE KIDS CANCER is part of the Hackensack University Medical Center Foundation, a qualified 501.C.3 tax-exempt organization. Federal ID #22-2339534

On behalf of the members of BOMA New Jersey and TACKLE KIDS CANCER, we thank you for generous donation.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia Hanley". The signature is fluid and cursive.

Patricia Hanley, BAE
